

## Home learning activity.

Our new core book for the next two weeks is the *Gruffalo* by Julia Donaldson.

The right we are focussing on as part of our rights respecting is:

Article 34 Nobody should touch me in ways that make me feel uncomfortable, unsafe or sad.

Activity.

In the story, the mouse took a stroll through a deep dark wood. Can you go on a walk near your home, in a park, near nursery and find the following items.

- 1 pinecone
- 2 stones
- 3 sticks
- 4 green leaves
- 5 brown leaves

Maybe you could count your natural resources to see how many you have found and make a nature picture.

We would love to see photos you take or pictures you have made.
