

Communication and Language

Share a well-known and loved story with your child several times.

Now challenge your child to retell the story to you. Can they use the phrases in the story? Can they describe to you how the characters are feeling? Can they recall the events in the correct sequence?

Each half term we will be sending out activities and ideas for you to do at home to support your child's learning at nursery. They will include all seven areas of learning from the EYFS curriculum. Please complete the activities with your child and then upload your photos and comments on to our Tapestry app.

We can't wait to see what you do!

Personal, Social and Emotional Development

Talk to your child about how to resolve conflicts with others eg share, take turns, play with something else.

Can your child tell you about a time when they have managed to do this?

Praise your child when you notice them developing this skill!

Physical Development

Practise name writing with your child. Can they form the letters correctly and in the right order?

This can be done in a number of ways eg in the sandpit, using a stick in the mud, with crayons and pencils.

Goodway Nursery School

Home Learning

Autumn 2 2019

Literacy

Each week your child will bring home a library book. Please share the story with your child. You can upload an observation to Tapestry, adding comments that your child has made about the story.

Can your child write a caption about the story with your support?

Mathematics

Go on a shape hunt around your home. Can your child find a rectangle, square, triangle and circle?

Now practise describing each shape. Can your child pick out the curved shape? Can your child pick out the shape with three sides?

Extension- look for 3D shapes such as a sphere, cube, cuboid, cone and cylinder.

Understanding the World

Discuss special events coming up with your child- Diwali, Bonfire Night, Halloween, Christmas etc.

Can your child talk about a special event that your family celebrates? Get them to tell you all of the special things you may do for each event.

Expressive Arts and Design

Challenge your child to make a Christmas tree out of junk modelling eg boxes and tape.

Can they use tools safely and for a purpose?

Don't forget to upload your fantastic creations to Tapestry!
