

Communication and Language

Sing familiar nursery rhymes to your child ie Twinkle Twinkle Little Star, Baa Baa Black sheep. If you're not sure, there are plenty of familiar nursery rhymes online.

We hope you had a good half term!

Each half term we will be sending out activities and ideas for you to do at home to support your child's learning and development, at nursery. They will include all seven areas of learning from the EYFS curriculum. Please complete the activities with your child and (where appropriate) upload your photos and comments on to our Tapestry app.

Personal, Social and Emotional Development

Play a simple game with a child that encourages them to take turns. It could be rolling a ball back and forth or taking turns to put objects in a box.

We want all of our Goodway children to think of themselves positively and recognise their achievements.

Physical Development

Get some empty boxes and help your child to build a tower with them.

Introduce your child to the potty or toilet. Talk to them about what it's used for and encourage them to sit on the potty or toilet.

Goodway Nursery School

Home Learning - Daisies

Autumn 2 2019

Literacy

Share a story with your child each day. Bed time is a great time to share a story! Talk to your child about the pictures. Picture flap books are great for this!

Mathematics

Play hide and seek with your child's toys.

Count with your child as you walk up the stairs, counting each step as you go.

Count trees as you go on walks with your child.

Understanding the World

Go on an Autumn stroll through the park with your child. Collect all the signs of Autumn that you find eg pine cones, conkers or different coloured leaves.

Talk with your child about where they have come from.

Expressive Arts and Design

Encourage your child to explore materials with different textures ie paint, sand, leaves, pine cones, sponge. Use different vocabulary to help them understand the different textures— rough, soft, smooth etc. This will also expose your child to rich vocabulary.
